

PMR Information from January – June 2011

Faith, Hope and Charity are an integral part of our masonic teachings from the EA through the MM and beyond – Faith, which admonishes us to have faith in God, Hope of immortality and Charity to all mankind. The greatest of these is charity. For "Faith may be lost in sight" and Hope ends in fruition, but Charity extends beyond the grave, through the boundless realm of eternity. Charity is the moving force, which unites and binds the welfare of others into the "order out of chaos" of Freemasonry. When a need exists for our fellow men, Masonic Bodies quietly "pass the hat". This is Masonic charity at its best. The first lesson that we are taught in Masonry is that something is expected of us. We are expected to listen, to learn and to teach others. Through the proficiencies, we are faced early on with the need for a self-discipline that has no equivalent in the profane world. We are expected not merely to learn but also to master the tenets of the Craft.
