MERRY CHRISTMAS
AND
HAPPY NEW YEAR

TO ALL OUR BROTHERS AND SISTERS
YOUR FAMILIES AND FRIENDS

GOD BLESS YOU ALL - AND MAY THE
love of our LORD shine on all of you -
today and forever.

I am always happy to have this opportunity to share with you and wish you and yours all the many good times this season has to offer.

And may all of you according to your faith and traditions enjoy the holidays.

For it is fitting that we pause to reflect on all our good fortunes and give thanks to the Great Architect of the Universe for all our blessings.

On behalf of our elected and appointed officers and ladies. I wish to extend to you my warmest wishes for all the joys of this wonderful season. May we all share in a year of good health, a year of growth and personal achievements. And may there always be peace on earth and good will toward all mankind.

Brother Ward, Thanks to you, Master Stanley Reams, the officers and members for remembering me on this day. Best wishes for all. Turned 65 and put in for Medicare. Still working civil service. Doing pretty good. May this new year bring us all strength, health and happiness. Best regards.
Fraternally,
Brother Anthony

Brother JW Hall (Murry KY)
Dear Brother Williamson, I truly thank you and all members of the Lodge for the birthday greeting. I know that it is well intended. However, some years past I requested that my name on the register be changed to read JW Hall. The change occurred as requested on subsequent dues cards.

This is the second time since I submitted the request that the name Jackie has reared its ugly head. I hereby convey fraternal greetings, and the best for the rapidly approaching Holliday Season to all.

Brother Daniel Moreno (Schertz TX)
Worshipful Master, officers and brethren of PMR 916:
I respectfully submit my dues for 2019 and 2020. I apologise for not submitting sooner but many events happened in 2018 that created a financial crisis. I have bounced back and am doing better.
I sold my house and bought a much smaller one that me and my wife can afford on our retirement incomes. I do miss degree work, brotherhood and sense of belonging in the lodges of Germany. I recall many years ago (1987?) when I was on a degree team from my Blue lodge Triangle 834, me, Jackie Warner, Cap Chapman and a couple others visited PMR and had a great visit.
I wish you and your families all a great Christmas and continued blessings from our Lord and saviour.
Yours in Brotherhood
Daniel Moreno

VW Brother Ward R Williamson Holiday Greetings to all

My Dear Brethren all,
I thank the WM and his elected and appointed officers for all their hard work and dedication. During the months of October, November and December it has been my sincere pleasure in providing our Lodge an extra helping hand in offering my assistance in preserving all our fine traditions in every way I can. Please enjoy the holidays - Merry Christmas and Happy New Year to each and everyone of you
God Bless.

Masonic Education

THE TROWEL

An implement of Operative Masonry, which has been adopted by Speculative Freemasons as the peculiar working-tool of the Master's Degree. By this implement, and its use in Operative Masonry to spread the cement which binds all the parts of the building into one common mass, we are taught to spread the cement of affection and kindness, which unites all the members of the Masonic family, wheresoever dispersed over the globe, into one companionship of Brotherly Love and an old custom in an Oxford Lodge, England, gave it prominence as a jewel, and as a symbol it goes back to the practice of the Ancient. Today this implement is considered the appropriate working-tool of a Master Mason, because, in Operative Masonry, while the Apprentice is engaged in preparing the rude materials, which require only the Gage and Gavel to give them their proper shape, the Fellow craft places them in their proper position by means of the Plumb, Level, and Square; but the Master Mason alone, having examined their correctness and proved them true and trusty, secures them permanently in their place by spreading, with the trowel, the cement that irrevocably binds them together.
